JANUARY 2015

## Expanding to Bigger Premises

As the year drew to a close, thoughts turned towards expanding and starting a Preschool for the younger children of the Seminarians as the school-age children would be entering the local Primary School in the New Year.

Bishop Weber allocated three rooms in one of the Campus Houses to be used as a Preschool. The House is perfectly located on the corner of the property, has a lovely tree-filled yard and three airy and light rooms.

And so the renovations began! With lots of hard work and enthusiasm all round, seminarians, staff, family members, the children and volunteers set to work.

...hard at work!

Mission Accomplished!

## Our Doors are Open!

It was with great joy that we were able to open the doors of our new LTS Preschool earlier this month! We are thankful for a lovely, colorful and cheerful space in which to nurture and guide young minds as they grow in Christ!
